

Fishing trip up to the fells: Rautujärvi

This excursion is a great opportunity to fish in the arctic lakes and at the same time enjoy the beauty of arctic summer.

The day will begin in Lomatärppi at the time agreed, for example at 9 am. After 20 km drive, we climb with the car steeply towards to the arctic lakes. Distance from the car to the lake is about 1 km on foot. We will fish and if we want, we can take a small trip to a beautiful waterfall. There are iron and trout in the lake. During the day we will have a campfire and enjoy snacks and hot drinks (not included).

One of the lakes requires fishing permit, which costs 10 €. In the second one, you can fish with a state fishing management fee.

Duration: about 8 hours.

Equipment: Rubber boots, weather-appropriate clothing, fishing equipment.
