

Boat trip from Mantojärvi to Patoniva.

This trip is a great opportunity to see the scenery of Utsjoki by boat. Experience a historical feeling of wooden local fishing boat. With this little traditional boat we will go up to the beautiful water walls of Tsarssi by the Utsjoki-River. Utsjoki-River flows between arctic fells.

The day starts from Lake Mantojärvi is about 10 km. During the day we will make a campfire and enjoy snacks and drinks (not included) in the magnificent view of the arctic rivers. There is also possibility to swim or fish during the day.

Distance: about 10 km / direction.

Price: 100 € / 1,5 hours/ 1 boat (1-3 person)

Take with you: warm clothes and a packed lunch and drinks. Fishing gears if wanted.

Weather reservation (the wind prevents the excursion).

Fishing permits cost 20 € / person.
